However, each party will bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid by other insurance policies. In no event will the Company reimburse You for an amount greater than the amount paid by You.

NOTICE OF CLAIM. Written notice of claim must be given by the claimant (either You or someone acting for You) to the Company or its designated representative within twenty (20) days after a covered Loss first begins or as soon as reasonably possible. DISAGREEMENT OVER SIZE OF LOSS. If there is a disagreement about the amount of the Loss either You or the Company can make a written demand for an appraisal. After the demand, You and the Company will each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. This is a summary of the basic provisions of the Kansas Life and Health Insurance Guaranty Association Act. It is only a summary, and does not provide an in depth analysis of that act. Nothing in this summary modifies the rights of persons who are protected by the act, or the rights or duties of the association.

The purpose of this Kansas Life and Health Insurance Guaranty Association Act is to protect certain individuals who purchase life insurance, annuities or health insurance in Kansas. The act provides for the establishment of a funding mechanism to pay benefits or provide insurance coverage to individuals when a life or health insurance company is unable to meet its obligations by reason of insolvency or financial impairment.

However, not all individuals with a right to recover under life or health insurance policies are protected by the act. An individual is only provided protection when:

1. the individual, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, is the beneficiary, assignee or payee of a covered policy or contract holder,
2. the individual policy or contract holder is a resident of the state of Kansas,
3. the individual is not a resident of the state of Kansas, but only with respect to an annuity contract which has been

awarded pursuant to a judgment or settlement agreement in a medical malpractice liability action,

4. the individual is not a resident of the state of Kansas, but only under all of the following conditions:

- a. the impaired or insolvent insurer was a Kansas domestic insurer; and
- b. the insurer never had a license to do business in the state in which the individual resides; and
- c. the state in which the individual resides has an association similar to this state's; and
- d. the individual is not eligible for coverage by the association of the state in which the individual resides.

Additionally, the association may not provide coverage for the entire amount the individual expects to receive from the policy. The association does not provide coverage for any portion of the policy where the individual has assumed the risk, for any policy of reinsurance, for interest rates that exceed a specified average rate, for employers' plans that are self funded, for parts of the plan that provide dividends or credits in connection with the administration of the policy, for policies sold by companies not authorized to do business in Kansas, for any unallocated annuity contract or for policies or contracts that provide benefits under Medicare Part C or Part D. Also, the association will not provide coverage where any guaranty protection is provided to the individual under the laws of the insolvent or impaired insurer's state of domicile.

The act also limits the amount the association is obligated to pay individuals on various policies to those limits in effect on the date the association became liable for that impaired or insolvent insurer. The association does not pay more than the amount of the contractual obligation of the insurance company. Regardless of the number of policies or contracts the association is not obligated to pay amounts over \$300,000 in life insurance death benefits; \$100,000 in net cash surrender and net cash withdrawal values for life insurance; \$100,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, unless the annuity contract is awarded pursuant to a judgment or settlement agreement in a medical malpractice liability action; or more than \$300,000 in the aggregate for the above coverages with respect to any one life.
