ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

Residents of Illinois who purchase health insurance, life insurance, and annuities should know that the insurance companies licensed in Illinois to write these types of insurance are members of the Illinois Life and Health Insurance Guaranty Association. The purpose of this Guaranty Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its policy obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the covered claims of policyholders that live in Illinois (and their payees, beneficiaries, and assignees) and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however, as noted below.

ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION DISCLAIMER

The Illinois Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are substantial limitations and exclusions. Coverage is generally conditioned on continued residence in Illinois. Other conditions may also preclude coverage.

You should not rely on availability of coverage under the Life and Health Insurance Guaranty Association Law when selecting an insurer. Your insurer and agent are prohibited by law from using the existence of the Association or its coverage to sell you an insurance policy.

The Illinois Life and Health Insurance Guaranty Association or the Illinois Department of Insurance will respond to any questions you may have which are not answered by this document. Policyholders with additional questions may contact:

SUMMARY OF GENERAL PURPOSES AND CURRENT LIMITATIONS OF COVERAGE

The Illinois law that provides for this safety-net coverage is called the Illinois Life and Health Insurance Guaranty Association Law ("Law") 215 ILCS 5/531.01, et seq.. The following contains a brief summary of the Law's coverages, exclusions, and limits. This summary does not cover all provisions, nor does it in any way change anyone's rights or obligations under the Law or the rights or obligations of the Guaranty Association. If you have obtained this document from an agent in connection with the purchase of a policy, you should be aware that its delivery to you does not guarantee that your policy is covered by the Guaranty Association.

a) Coverage:

The Illinois Life and Health Insurance Guaranty Association provides coverage to policyholders that reside in Illinois for insurance issued by members of the Guaranty Association, including:

- 1) Direct non group life insurance, health insurance, annuity and supplemental contracts;
- 2) life, health, annuity certificates under direct group policies or contracts;
- 3) unallocated annuity contracts; and
- 4) contracts to furnish health care services and subscription certificates for medical or health care services issued by certain licensed entities. The beneficiaries, payees, or assignees of such persons are also protected, even if they live in another state.

b) 1) the insurer that issued the policies or contracts domiciled in Illinois; and

- 2) the states in which the persons reside have associations similar to the Illinois Association; and
- 3) the persons are not eligible for coverage by an association in any other state due to the fact that the insurer was not licensed in that state at the time specified in that state's guaranty association law.

c) Exclusions from Coverage:

1) The Guaranty Association does not provide coverage for:

- A) any policy or portion of a policy for which the individual has assumed the risk;
- B) any policy of reinsurance (unless an assumption certificate was issued);
- C) interest rate guarantees which exceed certain statutory limitations;
- D) any unallocated annuity contracts issued to an employee benefit plan protected under the Pension Benefit Guaranty Corporation and any portion of the contract which is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery;
- E) any portion of any unallocated annuity contract which is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery.
- F) any policy or contract providing any hospital, medical, prescription drug, or other health care benefits pursuant to Part C or Part D of Subchapter XVIII, Chapter 7 of Title 42 of the United States Code (commonly known as Medicare Part C & D) or any regulations issued pursuant thereto;
- G) any portion of a policy or contract to the extent that the assessments required by Section 531.09 of this Code with respect to the policy or contract are preempted or otherwise not permitted by federal or State law;
- H) any portion of a policy or contract issued to a plan or program of an employer, association, or other person to provide life, health, or annuity benefits to its employees, members, or others to the extent that the plan or program is self-funded or uninsured, including, but not limited to, benefits payable by an employer, association, or other person under:
 - a) a multiple employer welfare arrangement as defined in 29 U.S.C. Section 1144;
 - b) a minimum premium group insurance plan;
 - c) a stop loss group insurance plan; or
 - d) an administrative services only contract.
- I) any portion of a policy or contract to the extent that it provides for:
 - a) dividends or experience rating credits;
 - b) voting rights; or
 - c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service or administration of the policy or contract;
- J) any portion of a variable life insurance or variable annuity contract not guaranteed by an insurer; or

- K) any contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in each case is to an affiliate of the member insurer;
- L) any portion of a policy or contract to the extent that it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this Code, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this Section, the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of the impairment or insolvency, whichever is earlier, and will not be subject to forfeiture; or
- M) any stop loss insurance.

2) In addition, persons are not protected by the Guaranty Association if:

- A) the Illinois Director of Insurance determines that, in the case of an insurer which is not domiciled in Illinois, the insurer's home state provides substantially similar protection to Illinois residents which will be provided in a timely manner; or
- B) their policy was issued by an organization which is not a member insurer of the Association was not licensed or did not have a certificate of authority to issue the policy or contract in this State.

d) Limits on Amount of Coverage:

1) The Law also limits the amount the Illinois Life and Health Insurance Guaranty Association is obligated to pay. The Guaranty's Association's liability is limited to the lesser of either:

- A) the contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer, or
- B) with respect to any one life, regardless of the number of policies, contracts, or certificates:

 - iii) with respect to annuities 250,000 in the present value of annuity benefits, including net cash surrender or withdrawal values, and \$250,000 in the present value of annuity benefits for individuals participating in certain government retirement plans covered by an unallocated annuity contract. The limit for coverage of unallocated annuity contracts other than those issued to certain governmental retirement plans is \$5,000,000 in benefits per contract holder, regardless of the number of contracts.

e) However, in no event is the Guaranty Association liable for more than (1) in aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance in which case the aggregate liability of the Association shall not exceed \$500,000 with respect to any one individual.
